

D-TEK[®] Pro

Refrigerant Leak Detector

**COMING
SOON!**

A new level of leak detection

- Detects all CFCs, HCFCs, HFCs, HFOs, and blends (including A2Ls)
- 10 times more sensitive than leading leak detectors
- One mode for all applications with quick response time
- Track ppm and save data logs with free mobile app
- GPS to confirm location of leak checking
- Detect smaller leaks from a greater distance with superior pump speed
