

Product

CJ-BKPK SpeedClean® CoilJet® Backpack

Application

Portable HVAC coil cleaner

Purpose

Small, portable design makes it easy to clean HVAC coils in hard-to-reach areas such as PTACs, rooftops, evaporators, refrigeration units where access to power and water is limited.

Advantages

The CoilJet® CJ-BKPK is the next revolutionary step in rechargeable portable HVAC coil cleaners. Design elements and functionality in the CJ-BKPK have been upgraded to provide the best coil cleaning eco-system on the market. The system uses a custom 4-way valve and siphon system that draws in the selected premixed chemical concentrate that are specially formulated for use with the CoilJet® CJ-BKPK. To extend the runtime and reduce weight, the CoilJet® CJ-BKPK utilizes a lightweight Lithium Iron Phosphate (LiPoFe4) battery.

Features

- Small, portable design makes it easy to clean HVAC coils in hard-to-reach areas such as PTAC's, rooftops, evaporators, refrigeration units and attics, where access to power and water is limited
- Easy-to-reach selector knob with positional detents is used to select the desired on-board chemicals or rinse, eliminating the need for dragging hoses or bulky pump sprayers to clean coils
- 125 PSI at 0.6 gallon per minute flow rate won't overflow the indoor AC evaporator coil condensate line
- 12V 10Ah Rechargeable LiPeFo4 battery makes it easy to clean virtually any coil, indoors or outdoors all day.
- LED battery status meter shows the level of charge
- Includes: CoilJet® Backpack, 15° spray nozzle, rechargeable LiPoFe4 battery, and AC charger.
- Compatible with all CoilJet® Accessories

Product

SpeedClean® CoilJet® Chemicals

The CJ-BKPK SpeedClean® CoilJet® Backpack will utilize specially formulated SpeedClean® chemicals. The SpeedClean® 3-in-1 (CJ-BKPK-3N1) is a convenient 3-pack containing a premixed super concentrated coil cleaner, degreaser, and deodorizer, providing the convenience of having all the right chemicals on hand to effectively clean and service a mini-split unit. Each Chemical is also sold separately. The kit includes one bottle of each:

- **CJ-BKPK-S3D** Speedy® 3D universal coil cleaner
- **CJ-BKPK-SG** Speedy® Green no-rinse cleaner and deodorizer
- **CJ-BKPK-SF** Speedy® Fresh odor eliminator.

CJ-BKPK Specifications

Output Pressure

- 125 PSI (8.5 BAR)

Pump Type

- Positive Displacement Diaphragm

Chemical Capacity

- 3 Bottles, 16 oz. (473 Milliliters) Each

Motor Power

- 12 VDC, 0.2 HP

Battery

- 12v 10Ah Rechargeable Lithium Iron Phosphate (LiFePO4)

Noise Level

- 66 dBA

Dimensions

- 17in x 15-1/2 in. x 10-1/2 in
(43cm x 39 cm x 27 cm)

Output Water Flow

- Up to 0.7 GPM (2.6 Liters) with #040 Spray Nozzle

Water Tank Capacity

- 2.5 Gallons (9.5 Liters)

Included Accessories

- CoilJet Backpack
- 15° Spray Nozzle
- Rechargeable LiPoFe4 Battery
- AC Charger

Battery Charger

- Input: 100 – 240 VAC, 50/60 Hz
- Output: 14.6 VDC, 4.0A

Weight

- Empty: 24.7 lbs (9.7 kg)
- Full: 44.5 Lbs (20.2 kg)

General Characteristics

Part Number	Description	UPC	Order Multiple
CJ-BKPK	CoilJet Backpack	0095427203246	1
CJ-BKPK-3N1	3 Chemical Starter Pack	0095247203284	1
